

## MIKAJIRI 1st and 2nd GRADES

First and second grade English is actually pretty similar to what we do in Kindergarten during designated English class time.

We have songs and chants, and an activity or two with the day's topic.

There are still some picture books, and it's interesting to see the students understand more from a story we read a year or two ago. These two years are mostly about vocabulary building and pronunciation, and are a transition period from Kindergarten into the lessons they will do in third and fourth grades.

I'm sorry, but we don't have any pictures of these lessons yet.
